

REMARKS

Status of Claims

Claims 1, 2, 13, 14, and 16 are currently amended.

With these amendments, claims 1-19 are pending for further examination in this application.

Specification objections

The specification is objected to because of informalities. In response, the informalities in paragraphs [0003], [0011], [0018], and [0029] of the specification has been corrected, according to the Examiner's suggestions.

Claim objections

Claims 1, 2, 13, 14, and 16 have been objected to because of informalities. In response, the informalities in claims 1, 2, 13, 14, and 16 have been amended according to the Examiner's suggestions.

In amended claim 1, "disengages from the battery release the battery" has been changed to "disengages from the battery to release the battery".

In amended claim 2, "whererin" has been changed to "wherein".

In amended claim 13, "accomdating" has been changed to "accommodating".

In amended claim 14, "wherein further" has been changed to "further".

In amended claim 16, "the stop portion of engages" has been changed to "the stop portion engages".

With these amendments, Applicant submits that claims 1-19 are now in condition for allowance.

CONCLUSION

Applicant submits that the foregoing Amendment and Response place this application in condition for allowance. If Examiner believes that there are any issues that can be resolved by a telephone conference, or that there are any informalities that can be corrected by an Examiner's amendment, please call the undersigned at 714.626.1224.

Respectfully,

Tien-An Huang
